

# HSM Powerline SP 5080 - 1.9 x 15 mm

## HSM Powerline SP 5080 shredder baler combination

This powerful combination of the FA 500.3 heavy duty document shredder and a counterplate baling press provides for data security in archives and compresses the shredded material into bales of between 40 and 80 kg.

### Product information

The high quality materials and proven HSM "Made in Germany" quality guarantee you are receiving a safe and durable machine.

The induction-hardened, solid steel cutting rollers can easily cope with staples and paper clips and guarantee durability.

The powerful motor ensures a high cutting capacity and reliable continuous operation.

The automatic return eliminates paper jams and ensures a smooth operation.
