

HSM shreddstar S10 - 6 mm+ sep. CD cutting unit

HSM shreddstar S10 document shredder

Data protection for everyone. This modern and compact strip cut document shredder with a separate CD cutting unit destroys your data reliably and quietly, both at home or at a small office.

Product information

The automatic reverse eliminates paper jams and ensures a smooth operation.

An integrated light barrier automatically starts the device when paper is introduced into the feed and it automatically stops after shredding is complete.

The quiet operating mode minimises noise development at the workplace which is an important consideration for your staff.

The LED indicator shows the device's operating status: Power, Overload, Overheat.
