Reliable and user-friendly particle cut document shredder with the highest security level in the shredstar line. With a separate CD cutting unit for use at the workplace.

Product information

The automatic reverse eliminates paper jams and ensures a smooth operation.

An integrated light barrier automatically starts the device when paper is introduced into the feed and it automatically stops after shredding is complete.

The quiet operating mode minimises noise development at the workplace which is an important consideration for your staff.

The LED indicator shows the device's operating status: Power, Overload, Overheat, Bin full.
