

HSM SECURIO AF300 - 0.78 x 11 mm

HSM SECURIO AF300 document shredder with automatic paper feed

The simple and convenient method of data destruction in the workplace. The document shredder with an automatic paper feed and lockable stack protects inserted stacks of paper from unauthorised access and shreds stacks of paper of up to 300 sheets as well as single sheets of paper easily whilst saving you time.

Product information

The high quality materials and proven HSM "Made in Germany" quality guarantee you are receiving a safe and durable machine – and also 3 years warranty.

The induction-hardened, solid steel cutting rollers can easily cope with staples and paper clips and guarantee durability.

The powerful motor ensures a high cutting capacity and reliable continuous operation.

Useful dual function: during the autofeed stack processing, it is possible to manually feed paper at the same time.
